Navigating the Infant Formula Shortage

- **Never dilute formula.** Diluting infant formula with water or other liquids can be dangerous and even life-threatening for babies.
- **Avoid homemade formula.** Babies fed homemade infant formula have been hospitalized due to hypocalcemia (low calcium).
- **Substitute formulas are ok:** For most babies, if their regular brand of formula is not available, it is ok to substitute with a similar version. Contact your child's pediatric provider or WIC clinic to discuss any concerns.
- **Talk to your doctor.** Families should consult their pediatrician if their babies or children require a specialized formula.

Thursday Town Tidbits

In observance of the Fourth of July, Town Offices will be closed on Monday, July 4, 2022.

COLLECTIONS CHANGES

All collection services for this week will be delayed by one day due to the Memorial Day holiday. Please remember to place your waste at the curb the night before to ensure pick up as the crews may start earlier than normal.

YARD WASTE CHANGES

Monday Yard Waste collection will be moved to Thursday. Tuesday and Wednesday Yard Waste collection will be on time. Follow [The Smyrna/Clayton July 4th Foundation, Inc.](#) for the latest updates on this weekend's activities.
