Town-wide Tree Inventory to Begin

Starting next week, Arbor Pro Inc. will start a town-wide public tree inventory and members of the public may see activity in the town parks and roadways. Professionals from the firm will identify, assess, measure, and document trees in town public space,

as well as street trees within the public right of way. These individuals will have identification if you have questions or concerns regarding work being completed, potentially in front of your home.

As a long-term goal of the town's Shade Tree Commission, the tree inventory will assist town staff manage the health and vitality of the tree canopy in the community. The initiative is funded through town resources, as well as a \$5,000 grant through the State's 2022 Urban and Forestry grant program.

Questions regarding this initiative can be directed to Danielle Pope at dpope@smyrna.delaware.gov or 302.653.9231.
