**Town-wide Tree Inventory Began on 8/2**

Arbor Pro Inc. started on August 2nd a town-wide public tree inventory and members of the public may see activity in the town parks and roadways. Professionals from the firm will identify, assess, measure, and document trees in town public space, as well as street trees within

the public right of way. These individuals will have identification if you have questions or concerns regarding work being completed, potentially in front of your home.

As a long-term goal of the town's Shade Tree Commission, the tree inventory will assist town staff manage the health and vitality of the tree canopy in the community. The initiative is funded through town resources, as well as a \$5,000 grant through the State's 2022 Urban and Forestry grant program. Questions regarding this initiative can be directed to Danielle Pope at [dpope@smyrna.delaware.gov](mailto:dpope@smyrna.delaware.gov) or 302.653.9231.

## Share a photo and caption for a chance to win!

You could win a \$100 Visa Gift Card and an energy efficiency kit through Efficiency Smart's Picture of Efficiency Contest.

Have you saved energy thanks to Efficiency Smart's online tips or advice by phone? Received a rebate on a new appliance? Purchased an energy-saving item from our online store? We'd love to hear your story.

Send us a photo and a caption that details your Efficiency Smart experience. When you do, you'll be automatically entered to win one of five prizes. We're betting you're the very picture of efficiency!

**Here's how:**

- 1 Submit a photo and caption of how Efficiency Smart has helped you or your family save energy by August 31
- 2 Efficiency Smart will select its favorite submissions, upload them to its Facebook page, and hold a vote
- 3 The five pictures with the most "likes" will win the following prizes:
  - First place: \$100 Visa gift card and an energy efficiency kit
  - Second place: \$75 Visa gift card and an energy efficiency kit
  - Third place: \$50 Visa gift card and an energy efficiency kit
  - Fourth Place: \$25 Visa gift card and an energy efficiency kit
  - Fifth place: Energy efficiency kit

## PROTECT YOUR FILES & DEVICES

### Update your software

This includes your apps, web browsers, and operating systems. Set updates to happen automatically.

### Secure your files

Back up important files offline, on an external hard drive, or in the cloud. Make sure you store your paper files securely, too.

### Require passwords

Use passwords for all laptops, tablets, and smartphones. Don't leave these devices unattended in public places.

### Have a plan

Have a plan for saving data, running the business, and notifying customers if you experience a breach.

### Encrypt devices

Encrypt devices and other media that contain sensitive personal information. This includes laptops, tablets, smartphones, removable drives, backup tapes, and cloud storage solutions.

### Use multi-factor authentication

Require multi-factor authentication to access areas of your network with sensitive information. This requires additional steps beyond logging in with a password — like a temporary code on a smartphone or a key that's inserted into a computer.

### Train all staff

Create a culture of security by implementing a regular schedule of employee training. Update employees as you find out about new risks and vulnerabilities. If employees don't attend, consider blocking their access to the network.

## Share a photo and caption for a chance to win!

### You could win a \$100 Visa Gift Card and an energy efficiency kit through Efficiency Smart's Picture of Efficiency Contest.

Have you saved energy thanks to Efficiency Smart's online tips or advice by phone? Received a rebate on a new appliance? Purchased an energy-saving item from our online store? We'd love to hear your story.
